Due to recent out-of-town state contracts, I am unable to continue the monthly ACE meetings. Therefore, I am submitting my resignation as an ACE member effective today.

My tenure on the ACE for the past 6 years has been a rewarding experience, and hopefully, my presence has helped meet the needs of the Alexandrian Jobseeker.

If I can be of assistance to the ACE and/or JOBLINK, please do not hesitate to contact me.

Dear All:

I would like to thank you for giving me the opportunity to serve as an ACE member. However, after serving for the last year, I have decided to resign from the committee.

It was certainly a pleasure to meet each and every one of you. I would be glad to help on an ad hoc basis. If you find you need an extra hand or support for an event, please let me know.

My best to you as we go into the Holiday Season.

Thank you.  
Jeanie
